

# Joint Workshop IC - Ivodent Academy (Albania)

## Tuesday 26 September 2023

### Session: 1 (14:00-15:15)

**-Conveners: Altin Mele**

time	[id] title	presenter
14:00	[2] Welcome and intro IC-CNR & Ivodent Academy (Albania)	Dr GIANNINI, Cinzia Prof. MELE, Altin
14:15	[3] Rationally designed peptide conjugates in Alzheimer Disease: implications for diagnosis and therapy	Dr PAPPALARDO, Giuseppe
14:30	[16] Simultaneous Thermal Analysis of high pressure impregnated PMMA for dental applications	Dr LICA, Jeta
14:45	[18] An integrative structural biophysics approach to study the interactions between ATP and neurotrophins	Dr PAOLETTI, Francesca
15:00	[8] Surface energy determination of solid materials by contact angle measurement	Dr ANDONI, Mariza

### Session: 2 (15:25-16:40)

**-Conveners: Francesco Capitelli**

time	[id] title	presenter
15:25	[24] Technologies, materials and clinical application of 3D printing	Dr CLEMENTE, Fabrizio
15:40	[21] High pressure extraction of materials by near critical liquid solvents	Dr GJURGJAJ, Lorenci
15:55	[22] Integrative Approaches in Structural Biology	Dr MONTANARI, Roberta
16:10	[23] Surface characterization of porous materials by N <sub>2</sub> adsorption/desorption in example of clays	Prof. MELE, Altin
